   FLIGHT TIME   SEAT   {flight}   {seat}
   [   ]   [ ]   DATE   DEPART
                                                          {time}

use the
weird airline
font

the part that's
printed

strips out logo &
URL Bar

Print Ticket

(or rather prints the box above)

NOTE
flight time, date,
seat should be
large - Name, flight#
date can be
smaller.

↰ looked at many tickets
  mainly designed by
  American Airlines
